*These figures are reflected in the ""Added/Transf."" columns of the individual appellate courts' caseload reports found on the two following pages.

NOTE: Newly-filed appeals are classified as ""unassigned"" until they reach the ""At-Issue"" stage. At this point, each appeal is either retained by the Supreme Court or assigned to the Court of Appeals. Until they are thus distributed, they are considered part of the overall appellate caseload, but are not counted as part of the caseload of either court.

The following chart combines and summarizes, by major case type groups, the caseload activities of all three elements:
Unassigned cases, Supreme Court cases and Court of Appeals cases.

ATS-365
